CAUTIONARY STATEMENT REGARDING FORWARD LOOKING STATEMENTS

The information contained in this report may contain "forward looking statements" within the meaning of Section 27A of the Securities Act of 1933 and Section 21E of the Securities Exchange Act of 1934. All statements, other than statements of historical facts, included or referenced in this report which address activities, events or developments which Build America Mutual Assurance Company ("BAM Mutual" or the "Company") expects or anticipates will or may occur in the future are forward-looking statements. The words "will," "believe," "intend," "expect," "anticipate," "project," "estimate," "predict" and similar expressions are also intended to identify forward looking statements. These forward looking statements include, among others, statements with respect to BAM Mutual's:

- changes in U.S. statutory basis surplus or claims paying resources;
- business strategy;
- financial and operating targets or plans;
- incurred losses and the adequacy of its loss and loss adjustment expense reserves and related reinsurance;
- projections of revenues, income (or loss), earnings (or loss), dividends, market share or other financial forecasts:
- expansion and growth of its business and operations; and
- future capital expenditures.

These statements are based on certain assumptions and analyses made by BAM Mutual in light of its experience and perception of historical trends, current conditions and expected future developments, as well as other factors believed to be appropriate in the circumstances. However, whether actual results and developments will conform with its expectations and predictions is subject to a number of risks and uncertainties that could cause actual results to differ materially from expectations, including:

- claims arising from catastrophic events, such as hurricanes, earthquakes, floods or terrorist attacks:
- the continued availability of capital and financing;
- general economic, market or business conditions;
- business opportunities (or lack thereof) that may be presented to it and pursued;
- competitive forces, including the conduct of other property and casualty insurers and reinsurers;
- changes in domestic or foreign laws or regulations, or their interpretation, applicable to BAM Mutual, its competitors or its clients;
- an economic downturn or other economic conditions adversely affecting its financial position, including the impact of the COVID-19 pandemic;
- recorded loss reserves subsequently proving to have been inadequate;
- actions taken by ratings agencies from time to time, such as financial strength or credit ratings downgrades or placing ratings on negative watch; and
- other factors, most of which are beyond BAM Mutual's control.

Consequently, all of the forward looking statements made in this report are qualified by these cautionary statements, and there can be no assurance that the actual results or developments anticipated by BAM Mutual will be realized or, even if substantially realized, that they will have the expected consequences to, or effects on BAM Mutual or its business or operations. BAM Mutual assumes no obligation to update publicly any such forward looking statements, whether as a result of new information, future events or otherwise.

Operating Supplement December 31, 2024

Company Profile

BAM Mutual is a New York domiciled mutual financial guaranty insurance company licensed in all of the 50 states and the District of Columbia. The Company received its license to write financial guaranty insurance from the New York State Department of Financial Services (the "Department") and commenced operations on July 20, 2012. BAM Mutual's charter and underwriting guidelines permit the Company to insure only municipal bonds as defined in Section 6901 (a) of the New York State Insurance Code. BAM Mutual's financial strength and counterparty credit ratings of 'AA/Stable Outlook', from Standard & Poor's Ratings Services, were reaffirmed on May 29, 2024.

The first mutual bond insurance company, BAM Mutual is owned by and operated for the benefit of the issuers that use the Company's 'AA/Stable Outlook' rated financial guaranty to lower their cost of funding. BAM Mutual's unique corporate structure distinguishes it from traditional financial guaranty insurers, as BAM Mutual's mutual model permits capital growth to track insured portfolio growth, eliminating the need to "go public" to raise capital, to drive earnings growth to satisfy equity markets, or to engage in mission creep by taking on risks outside of the core municipal market. In addition to its own strong capital base, BAM Mutual has the benefit of collateralized first loss reinsurance protection for losses up to the first 15% of par outstanding on each policy written as well as collateralized excess of loss reinsurance (as described below).

The Company benefits from both first loss and excess of loss reinsurance protection provided by HG Re, Ltd. ("HG Re"), The first loss reinsurance protection is provided via a reinsurance treaty (the "First Loss Reinsurance Treaty"), whereby HG Re assumes losses in an amount up to 15% of the par outstanding for each insurance policy. The excess of loss reinsurance treaty (the "Excess of Loss Reinsurance Treaty") provides last dollar protection for exposures on municipal bonds insured by the Company in excess of regulatory single issuer limits, subject to an aggregate limit equal to \$125 million.

HG Re's obligations under both the First Loss Reinsurance Treaty and the Excess of Loss Reinsurance Treaty are secured by and limited to the assets held in trusts which include a beneficial interest in surplus notes issued by BAM Mutual, all of which are pledged for the benefit of BAM Mutual.

In addition to the reinsurance protection provided by HG Re, BAM Mutual benefits from collateralized excess of loss reinsurance agreements with Fidus Re, Ltd. ("Fidus"), a Bermuda based special purpose insurer created solely to provide reinsurance protection to BAM Mutual. The excess of loss reinsurance provides total protection of \$400 million for 90% of aggregate losses exceeding attachment points ranging from \$110 million to \$165 million for the covered portions of BAM Mutual's financial guarantee portfolio and covers approximately 65% of Gross Par Outstanding for BAM Mutual's portfolio of financial guaranty policies as of December 31, 2024. The Company uses deposit accounting for the excess of loss reinsurance protection provided by Fidus and HG Re.

The Company became a member of the Federal Home Loan Bank of New York ("FHLB of NY") on September 13, 2019.

Net Investment Income for the years ended December 31, 2024 and December 31, 2023 is net of Surplus Note Interest Expense of \$8.7 million and \$9.6 million, respectively. In addition to reporting BAM Mutual's financial results in accordance with the U.S. Statutory basis of accounting ("Statutory"), the Company reports Adjusted Statutory Operating Income, a non-Statutory financial measure of non-Statutory financial performance or financial position that excludes (or includes) amounts that are included in (or excluded from) the most directly comparable measure calculated and presented in accordance with the U.S. Statutory basis of accounting, who are presenting this non-Statutory financial measure because if provides greater transparency and enhanced visibility into the underlying drivers of our business. Adjusted Statutory Operating Income is not a substitute for BAM Mutual's U.S. Statutory basis of accounting, should not be viewed in isolation and may differ from similar reporting provided by other companies, which may define non-Statutory financial measures differently.

In addition to reporting BAM Mutual's financial results in accordance with the U.S. Statutory basis of accounting ("Statutory"), the Company reports Statutory Comprehensive Income, a non-Statutory financial measure. A non-Statutory financial measure of financial performance or financial position that excludes (or includes) amounts that are included in (or excluded from) the most directly comparable measure calculated and presented in accordance with the U.S. Statutory basis of accounting. We are presenting this non-Statutory financial measure because it provides greater transparency and enhanced visibility into the underlying drivers of our business. Statutory Comprehensive Income is not a substitute for BAM Mutual's U.S. Statutory basis of accounting, should not be viewed in isolation and may differ from similar reporting provided by other companies, which may define non-Statutory financial measures differently.

Gross Par Insured

For the Year Ended December 31, 2023

(1)

PVP is a non-U.S. Statutory measure that management believes is a useful measure in evaluating business production because it takes into account Gross Risk Premiums and Member Surplus Contributions collected for insurance policies issued during the period, as well as the present value of estimated future installment Gross Risk Premiums and Member Surplus Contributions, discounted using a risk free rate. Under U.S. Statutory accounting principles, Gross Risk Premiums are recognized when due and Member Surplus Contributions are recognized as collected.
